

Classic Construction:

Classic Mail Slots are constructed using fully doweled 0.75" particle board with double side thermal fused laminate (TFL) with matching 3mm PVC edge banding. The opening size varies depending on shelves and size of the units.

Shelves are double sided TFL with matching 3mm PVC edge banding on front side. Fixed shelves are fully doweled and adjustable have shelf pins.

Premium Mail Slots are constructed the same as the Classic **EXCEPT** the Premium cabinet components are **double sided high pressure laminate (HPL)** in place of the double sided TFL.

Assembly:

Each unit is factory assembled using glue and dowel construction.

Shipping Class: Density Based Class
